1. All rides begin with a full tank of gas and an empty bladder.
2. All rides and riders are to strictly adhere to Department of Motor Vehicle laws. Under no circumstance will any member block traffic or exceed the speed limit.

Like units will follow each other with no mingling of bikes and trikes.
4. The Road Captain will ensure with the assistance of the Tail Gunner that the formation stays safe and together.
5. In the event a rider is unable to maintain formation due to a mechanical or other unforeseen event, all riders will find a safe area to stop.
6. The Road Captain will advise all riders prior to a ride of the Rules of the Road, bathroom breaks, and special instructions, if necessary.
7. Alcoholic beverages and/or illegal substances are not to be consumed on any ride.
8. Any rider wishing to freely leave formation during a ride should inform everyone prior to a ride. They will do so by waving and leaving in a safe manner.
9. When a turn is made, all members will note if the bike behind them is in sight or not. If they cannot see the bike behind them, then they will wait and guide the turn.
